*The tuition amount is not already covered by other scholarships

Selection:

*Qualification of the families will be determined by the Superintendent and CFO in collaboration with the school principals.

*If a recipient qualifies for a state scholarship or withdraws enrollment from the school, the grant will be returned to the grant pool and a student on the wait list may receive the grant.

*Grant applications are considered quarterly (at a prorated amount) with a rolling deadline and paid quarterly. Family Grants will be awarded on a first-come, first-served basis.
