

## **Greeters/Hospitality**

### **What is working well in the ministry?**

- Making everyone feel welcomed.
- Having defined roles and having many participants.

### **What do you feel is not working well in this ministry?**

- We should be recruiting more people. This is such an easy ministry for someone to help with that doesn't require speaking in front of the entire church.
- Need to ensure we show up in a timely manner and not arrive late.
- Need badges/identification so that everyone knows who we are so that parishioners will know who to approach with questions.
- Talking too much.

### **How are we growing as a Eucharistic Centered Ministry?**

- This ministry allows participants to meet and engage everyone who enters the church and gives an opportunity to provide a welcoming presence for both old and new members.
- Being more welcoming to the Mass.
- Taking our responsibility seriously

### **What is the ministry doing to reach out to the youth of our Parish?**

- Utilizing children to assist in collecting the offering and hand out bulletins.
