

## Lectors

### **What is working well in the ministry?**

- Promptness and accuracy of scheduling to serve
- Speaker systems are working great consistently.
- People are usually very good at asking for and getting subs when they will not be there.
- Readers are always well prepared.
- The books are maintained and always in place.
- Having the lector books.

### **What do you feel is not working well in this ministry?**

- Helping the children reading at their Mass to understand how to read better by slowing down, taking a breath, and ensuring to pause for commas and periods.
- Consider having one person do both readings.
- Some need to work on word pronunciation.
- Need to ensure microphone is adjusted properly so the congregation can hear them.

### **How are we growing as a Eucharistic Centered Ministry?**

- Proud of the growing diversity of our Parish becoming more representative of our community at large.
- Reading the prep book of all the readings for Sunday are a big help to me in proper pronunciation and understanding the entire theme of the readings.
- Ensuring to read the Word of God aloud so that listeners understand the meaning and be inspired.

### **What is the ministry doing to reach out to the youth of our Parish?**

- We are challenged as other Parishes in reaching out to our youth.
- We should consider having the youth be responsible for the 10:00 Mass once a month. The youth could do the readings, intentions, act as greeters and ushers, and sign with the choir.
- Setting an example of practicing our faith.
