

Sacristans

What is working well in this ministry?

- Having the church ready for adoration and affording the opportunity to interact with other parishioners who are in the ministry.
- New locks helped a lot.
- The guidance and assistance from those who have been doing this for a while has been very helpful.

What do you feel is not working well in this ministry?

- It would be nice if the sound system were raised higher so that I would not have to get on my knees to turn the system on and off.
- It would be nice to have a sheet with reminders of tasks to be completed.
- No backups to the morning Mass.
- More reference in the church before and after Mass by those attending Mass.
- Need a vestibule again so there is a definite cutoff from outside to inside.

How are we growing as a Eucharistic Centered Ministry?

- Everyone is doing what needs to be done to make our faith more alive and the common friendship of the parishioners.

What is the ministry doing to reach out to the youth of our Parish?

- Making sure that the little ones who are serving at Mass get positive feedback about their performance.
- Asking families with children to carry the gifts to the altar.
- Working with the Altar Servers at Mass.
